Scrub Sales:

- **Time to Get Started:** Sales can start in under a week
- **Cost to Start:** Variable (as low as \$170)
- **Length of Fundraiser:** 1-2 weeks
- **Description:** Our Scrub Sales option allows you to set up your own scrub stand and sell! Setting up a table for a scrub sale at your place of work, school, or anywhere else is a powerful, interactive way to raise money. Perhaps you have a new incoming class of students or you want to sell around a specific holiday, live in-person scrub sales have proven to be a winner time and time again. We can even fully customize your scrubs with our embroidery or screen printing options. If you didn't order enough inventory—don't worry, just write those orders down and we can ship you more product after your sale date.

- **How to Get Started & Fundraising Steps:**

1. Email us at sales@scrubadoo.com, with your group's name, contact person, and contact information. We will follow up with you within 24 hours.
2. We work with you to set up your sale date(s) and plan your inventory needs.
3. We work with you to complete any customization steps – we can even help you create a customized design!
4. We provide you with advertising materials and helpful tips on how to successfully market your fundraiser.
5. You hold the scrub sale.
6. You order any additional scrubs needed if demand exceeds your sale inventory.

- **Benefits**

- Potential for great sales and therefore significant fundraising proceeds!
- Product is on hand = easier to sell
